| <b>Peninsula</b> |                    |   |  |  |   |
|                  | SMC/Woodside       | Wunderlich County Park  | 4-5 Rigs   | <a href="http://parks.smcgov.org">parks.smcgov.org</a> | DEP is at the main park entrance. It is not noted on the map. There are 3 spots head to tail along the exit lane, there is another 2-3 spots in a dirt area along the right as you enter the parking area. High use in this parking lot for both cars and equestrians.  |
|                  | SMC/Woodside       | Huddart County Park, Main Area  | 2 Rigs   | <a href="http://parks.smcgov.org">parks.smcgov.org</a> | NEP. If you ride during the week, you can park in the Zwierlein Parking area. Park parallel by blocking 3-4 parking spaces. Exit out the "wrong way" side to clear the trailer.   |
|                  | SMC                | Huddart County Park/Sculpture Farm/Crystal Springs Trail/Edgewood County Park | 10 Rigs  | <a href="http://parks.smcgov.org">parks.smcgov.org</a> | NEP. At the intersection of Runnymede Rd. and Canada Rd. there are two large pullouts on Runnymede Rd. Park here and consult each park's access for trailhead location. Sculpture farm requires a key. Crystal Springs Trail from Runnymede North to Raymundo.  |
|                  | SMC                | El Corta de Madera OSP  | 3-4 Rigs   | <a href="http://openspace.org">openspace.org</a>       | DEP is at the top of the park in the parking lot off Skyline Blvd. (Hwy 35). Head to tail parking. Easy access. Heavily used by bikes, stay off Spring Board Trail.   |
|                  | SMC                | Russian Ridge OSP   | see Skyline Ridge  | <a href="http://openspace.org">openspace.org</a>       | DEP is at Skyline Ridge. Ride through Skyline to get to Russian Ridge, about 1 mile. Heavy bike use. Easy access  |
|                  | SMC                | Skyline Ridge OSP   | 20 rigs  | <a href="http://openspace.org">openspace.org</a>       | DEP. Largest equestrian parking for MROSD. This parking area has access to 4 MROSD parks and one county park. Easy access right off skyline Blvd. (Hwy 35).   |
|                  | SMC                | Windy Hill OSP  | 2-3 rigs, Skyline<br>3-4 rigs Spring<br>Down Eq.<br>Center/PV Town<br>Hall | <a href="http://openspace.org">openspace.org</a>       | NEP but there is room for trailers at the Skyline Blvd. parking lot. There is also a large pull out directly across from the main lot to park a couple of trailers. Easy access. At Spring Down Eq. Ctr, 3-4 rigs can park in the driveway and in front of Portola Valley Town Hall on Portola Valley Rd. Ride along Road to Windy Hill |
|                  | SMC                | Monte Bello OSP   | see Skyline Ridge  | <a href="http://openspace.org">openspace.org</a>       | DEP is at Skyline Ridge. Monte Bello is directly across from Skyline Ridge. There is a small lot at the main entrance to Monte Bello off Page Mill, but it can fill up with cars. Heavy Bike use.   |
|                  | SMC                | La Honda Creek OSP (aka Driscoll Ranch)                                       | 4 dedicated spots with permit, but if you rent the facility, 25 +rigs      | <a href="http://openspace.org">openspace.org</a>       | DEP by permit only. Easy to get a permit but requires about 3 days advance notice. Easy access off La Honda Road. No other parking here. Located at the old La Honda Event Center. Cattle on trails. The event center can be rented for group equestrian camping.   |
|                  | SMC                | Long Ridge OSP  | see Skyline Ridge  | <a href="http://openspace.org">openspace.org</a>       | NEP but DEP is at Skyline Ridge. Ride about 1.5 miles to get to Long Ridge. However, there is parking at the main entrance to Long Ridge along Skyline. If you go during the week, you can get parking here as well for 2-3 trailers in the large turnouts on either side of Skyline.   |
|                  | SMC                | Sam McDonald Park   | 4-5 Rigs   | <a href="http://parks.smcgov.org">parks.smcgov.org</a> | DEP is through the main entrance in an asphalt parking lot. As you enter the parking lot, trailer parking is to your left. No bikes. Access to Pescadero Creek Park from here as well   |
|                  | SMC/Portola Valley | Portola Valley Trail system   | 8 Rigs   |  | NEP, but large dirt parking lot between Alpine Inn and soccer field on Alpine Rd. is easily accessible. Can be crowded on weekends. Also, 3-4 rigs can park at Spring Down Eq. center in driveway and PV Town Hall pkg lot on Portola Valley Rd.  |

| Region           | County/City             | Park/Trails  | Trailer Parking  | Website   | Comments  |
|------------------|-------------------------|--|--|---|---|
|                  | SMC/Pescadero           | Pescadero Creek Park   | 4 Rigs   | <a href="http://parks.smcgov.org">parks.smcgov.org</a>  | NEP but you can park at the Sam McDonald Park equestrian parking or you can park off Wurr Rd. at the Hoffman Flat trailhead. Small dirt pullout here or you can park on the street. It is a dead end street.  |
|                  | SMC/Woodside            | Edgewood County Park   | 4 Rigs   | <a href="http://parks.smcgov.org">parks.smcgov.org</a>  | NEP but park along Canada Rd at the Clarkia trailhead. Long pullout area. Can be busy on weekends.  |
|                  | SMC/Half Moon Bay       | Half Moon Bay Coastal Trail or Coastside Trail, Poplar Beach trailhead | 6 rigs   |   | NEP but you can park at the end of Poplar Rd. Easy access, flat gravel lot surrounding car parking lot on East side. Go through car lot and turn left onto gravel/dirt area, continuing left to face exit.  |
|                  | SMC                     | Rancho Del Oso section of Big Basin State Park, Waddell Creek          | 6-7 rigs   | <a href="https://ranchodeloso.org/">https://ranchodeloso.org/</a>                                     | DEP. Go through the gate directly off Hwy 1 directly across from Waddell Beach. Do not go into the nature center entrance. Proceed approx. 1/4 mile, horse camp is to the right, if unoccupied, you can park here if gate is open. Otherwise, proceed to parking lot directly in front of you.  |
| <b>South Bay</b> |                         |  |  |   |   |
|                  | SCC/Milpitas            | Ed Levin County Park   | 5-6 rigs   | <a href="http://sccgov.org">sccgov.org</a>  | OEP is at the Spring Valley Entrance on Calaveras Rd., go left and follow the road to the end, go past the corral on your left and you will see a field that you can pull into and pull out of easy.  |
|                  | SCC/Morgan Hill         | Coyote Lake/Harvey Bear Ranch County Park                              | 10+ Rigs, San Martin Ent.<br>50+group<br>5+ Mendoza Ranch Ent. | <a href="http://sccgov.org">sccgov.org</a>  | DEP at San Martin Ave. is large but fills up quickly on the weekends. DEP also off Roop Rd., Mendoza Ranch entrance. easy access.  |
|                  | SCC/Los Altos/Cupertino | Rancho San Antonio OSP   | 4 Rigs   | <a href="http://openspace.org">openspace.org</a>  | DEP through main entrance off Cristo Rey Dr. Proceed through entrance down small hill to first parking lot, veer to right just past restrooms, long narrow parking marked for trailers. Easy access. Head to tail parking.  |
|                  | SCC/Los Altos Hills     | Los Altos Hills Trail system   | 8 Rigs, 5 on weekends  | <a href="https://lahrecreationtrails.org/online-map/">https://lahrecreationtrails.org/online-map/</a> | NEP. Park at Los Altos Hills Town Arena on Purissima Rd., adjacent to the Little League fields in Purissima Park. Weekend parking limits space to about 5 rigs. You can get a permit and cone off an area to assure parking.  |
|                  | SCC/SCZC                | Sanborn County Park  |  | <a href="http://sccgov.org">sccgov.org</a>  | No dedicated equestrian parking but multiple pullouts along Skyline Road at the top of the park. Also possible to park in the parking area at the junction of Hwy 9 and 35, not on a weekend.   |
|                  | SCC/Saratoga            | Fremont Older OSP  | 2-3 rigs   | <a href="http://openspace.org">openspace.org</a>  | NEP Garrod Farms boarding stable is right next to this park. If you call them ahead of time to let them know you are coming, they usually let you park in their lower parking lot by the hay barn. Go in the main entrance to Garrod, turn right at the first opportunity into the car parking area and continue past and go to the right of the restrooms with the large hay barn on your left. Circle in the lower parking lot open area. |
|                  | SCC/San Jose            | Almaden Quicksilver County Pa  | 10+ Rigs Wood Rd.<br>8 rigs Mockingbird<br>10+ Rigs Hacienda   | <a href="http://sccgov.org">sccgov.org</a>  | DEP There are 3 places for equestrian parking. See map. Wood Road entrance is at the corner of Hicks Rd. and Mt. Umunhum Rd. Easy parking. Hacienda entrance has been expanded and they have about 3 spots in the first parking area, but if you go through the open gate at the back, there is an open field for parking. Easy access. Mockingbird Hill has an asphalt trailer parking area in the middle of the car parking. Easy access. |
|                  | SCC/San Jose            | Calero County Park   | 15+ Main<br>3-4 rigs Vicente                                   | <a href="http://sccgov.org">sccgov.org</a>  | DEP Two parking areas. Main entrance parking is best, large flat area on right hand side after entrance. Easy access. Second one is located at the Rancho San Vicente entrance. Lots of bike people park at this entrance.  |
|                  | SCC/San Jose            | Rancho Canada del Oro OSPA   | 2-4 rigs   | <a href="http://openspaceauthority.org">openspaceauthority.org</a>                                    | DEP Go to main entrance off Casa Loma Road, drive through car parking area to dirt lot. |        | SCC/San Jose  | Santa Teresa County Park         | 25+ rigs   | sccgov.org  | OEP It shows on map that there is equestrian parking area but it has now been open to cars as well. Go through the main entrance off Bernal Rd., follow the signs to Pueblo Day Use and go all the way to the end to the large asphalt parking area next to an old arena. You can park anywhere here. Easy in and out.   |
|        | SCC           | Stevens Creek County Park        | ?  | sccgov.org  | NEP There are large lots within the park however that could easily accommodate trailers. Check with rangers to see about parking.  |
|        | SCC           | Upper Stevens Creek County Park  | 2-3 rigs   | sccgov.org  | NEP This park sits in between Monte Bello, Long Ridge and Saratoga Gap. The main parking is directly across from the main entrance to Long Ridge. So you can park there, or equestrian parking in Skyline. Heavy bike use.   |
|        | SCC/Gilroy    | Mt. Madonna County Park          | 5-7 rigs   | sccgov.org  | DEP Two areas to park. Easier one is the Sprig Day Use Area. Large pull out directly off 152, easy access and exit. Access to the Ridge Trail from here. Second equestrian parking is through the main entrance on Pole Line Road. Easy access. Large park. No Bikes   |
|        | SCC/Palo Alto | Arastradero Preserve             | 5-8 rigs   | <a href="https://www.cityofpaloalto.org/gov/depts/csd/parks/preserves/arastradero/">https://www.cityofpaloalto.org/gov/depts/csd/parks/preserves/arastradero/</a> | NEP but large dirt parking lot between Alpine Inn and soccer field on Alpine Rd. is easily accessible. |        | SCC/STC       | Henry Coe State Park             | 25+rigs  | <a href="https://coepark.net/">https://coepark.net/</a><br><a href="https://www.parks.ca.gov/?page_id=561">https://www.parks.ca.gov/?page_id=561</a>              | OEP Best equestrian parking is the Hunting Hollow Entrance. Easy access and exit. Massive park. Many wilderness horse camps here. Also equestrian parking at the main entrance but much more limited parking and hard to get to.   |
|        | SCZC          | Henry Cowell Redwoods State Park | 2-3 at staging areas<br>3-5 rigs, pull out<br>50+ at showgrounds | <a href="http://www.parks.ca.gov/?page_id=546">http://www.parks.ca.gov/?page_id=546</a>   | OEP Park has two equestrian staging areas marked on the map. One at the main entrance off hwy 9, after entrance make the first right into "Picnic area 2", and second one at the bottom of the Fall Creek Unit. Best parking is if you are a member or know a friend who is a member of Santa Cruz County Horsemen's Assoc. who runs Graham Hill Showgrounds as this is right next to the park. Easy access from this place. Can park 3-5 rigs in gravel road pull out off Graham Hill Rd. across from small shopping ctr that is adjacent to SCCHA. |
|        | SCZC          | Wilder Ranch State Park          | 3-4 rigs   | parks.ca.gov  | OEP parking is through the main entrance. Just past ranger station immediate right. Pull through spaces right next to each other. Does not show on map. Has a horse camp as well off Dimeo Lane, primitive facilities. Lots of bikes.  |
|        | SCZC          | Big Basin Redwoods State Park    | 3-4 Rigs   | parks.ca.gov  | OEP Rancho Del Oso entrance off Hwy 1 at Waddell Creek. Directly across from the parking lot at Waddell Beach there is a gate. Open gate and go through, drive about 1/8 mile, pass ranger residence on left, park in horse campground on right or paved area directly in front of you. There is also a large dirt lot at the intersection of Hwy 236 and Hwy 9.   |
|        |               | Castle Rock State Park           | 2-3 rigs   | parks.ca.gov  | OEP is a pull out on Hwy 9 as indicated by the "horse staging area" on map. This is about 1 mile west of Skyline (Hwy 35) & Hwy 9 intersection. There is also NEP at Waterman Gap at the junction of Hwy 9 and Hwy 236, large dirt lot   |
